6:46 PM **BushwickBK.com**: http://blogs.villagevoice.com/forkintheroad/archives/2009/09/bushwicks_hibac.php
6:47 PM **me**: it's good for business
6:48 PM **BushwickBK.com**: I'm not sure if this lorien is crazy liek a fox or just crazy
I gather though, that you know her
from andy's comment and your somewhat kid gloves with her
6:49 PM **me**: she seems typically neurotic
6:50 PM but self-aware enough to have apologized
otherwise, she would have looked terrible and ruined potential goodwill
BushwickBK.com: yes
6:51 PM **me**: which is pretty necessary for a hipster-catering joint
so, I have no idea
BushwickBK.com: you been yet?

9 minutes

7:01 PM **me**: nah, haven't
I live right by it, so will certainly check it out
7:02 PM the best deal around is chicken parmesan sandwiches for $5 at the italian place near tiki
BushwickBK.com: there...is an italian place?
me: yeah
on broadway
BushwickBK.com: and what
me: sort of across from that now-closed Crown Fried Chicken
forgot street
BushwickBK.com: hm
me: right next to corner bodega there
7:03 PM **BushwickBK.com**: what's it called
me: can't remember
I'll find out in a bit and let you know
7:04 PM but it's the best place in this area
BushwickBK.com: cool
